Building Leaders of Faith, Knowledge, and Character

We are a Christian school using the ACE (Accelerated Christian Education) curriculum, focused on individualized learning, academic excellence, and character development rooted in Christian values.

Strength of ACE System

- Laying a strong foundation of faith through a **Biblically-based ACE Curriculum**.
- Instilling solid knowledge through a **mastery-based learning system**.
- Promoting **Godly character development** through the ACE Learning Procedures.
- Developing higher-order thinking skills for **gift and talent development** through the Student Convention.

School Program

✓ Kindergarten (3.5 years & up)

A learning readiness program that incorporates: phonics, basic math concepts, Bible stories, character building, exploration and creative activities, as well as a physical development plan.

✓ Grades 1–6 (Elementary School)

Foundational skills in reading, writing, and math are built through self-paced learning and daily practice. Biblical truths nurture honesty, kindness, and responsibility.

✓ Grades 7–9 (Junior High School)

Academic knowledge is explored and evaluated through guided activities that strengthen reasoning. Biblical values shape decision-making, teamwork, and leadership.

✓ Grades 10–12 (Senior High School)

Advanced concepts are applied through independent, mastery-based learning and purposeful projects. Faith and service inspire integrity and impactful leadership.

Co-Curricular Activities

- ✓ IT
- ✓ Sports
- ✓ Arts & Crafts
- ✓ The Boys' Brigade

Extra-Curricular Activities

- ✓ Swimming
- ✓ Music
- ✓ Vocal
- ✓ Mandarin
- ✓ Robotics
- ✓ Photography

Student Convention

The Student Convention is a venue for ACE students to compete in Academics, Athletics, Arts, Crafts, Music, Vocal, Photography, and Platform events - designed to help them discover and showcase their gifts and talents as well as develop higher-order thinking skills and resilience.
